

You're invited to attend a webinar for
hATTR patients and their family members:

Understanding Hereditary Amyloidosis

Learn how hATTR could affect other family members and how genetic testing and diagnosis can help your family stay as healthy as possible. There will be time for questions.

There is no cost to attend this webinar. Please feel free to forward this invitation to others who may be interested.

Webinar details

- **Date:** May 6, 2021
- **Time:** 6-7 PM, Central Time
- **Location:** Virtual via WebEx

Speaker

Colleen Caleshu, MS, CGC
Genetic Counselor, GeneMatters
